SLM-2400HD

SANTEC LCD industry monitor 24" (61 cm)
1920 x 1280, incl. power supply and RC

◾ PRODUCT DESCRIPTION

▶ Application:

The SANTEC LCD color monitors of the SLM product line are designed for industrial purposes. With the high resolution, a robust metal housing in white painting as well as a remote controlling unit and various different input possibilities, the monitors offers a wide range of applications in the industry. This monitor has a direct HD-CCTV input (BNC - loop through).
